# LIFE & DISABILITY INSURANCE

## Life Insurance

Yuba County provides a Basic life insurance benefit to all eligible employees through Voya Employee Benefits. Employees wishing to purchase additional life insurance, long-term disability coverage or coverage for spouses and/or dependents may do so at their own expense.

## Short Term Disability Policy

Management and confidential employees, and members of the Deputy District Attorney's Association have access to the County's generous Short Term Disability Voluntary Program. Premiums from the Short Term Disability Program also cover enrollment in a Long Term Disability Program.
